Changing the environment, for good.

GreenInc is a Bedford-backed social enterprise with big ambitions for growth in the landscaping and horticulture sector.

We offer an inclusive workplace with a commitment to hiring people of all abilities.

By partnering with GreenInc, our customers create environments for people to thrive in while scaling both social and environment impact.

GreenInc has 60+ team members of all abilities working across a range of landscape construction projects.

GreenInc services all areas of metropolitan Adelaide from its three depots in Mount Barker, Edinburgh and Panorama.

 **GreenInc**

 backed by
Bedford

Our quality landscaping and horticultural services are creating new environments, sewing seeds and repurposing resources to pave the way for a brighter future for our workforce, the community and the environment.

With a charter to employ 20% of the workforce of people with disability, it represents Bedford's ongoing commitment to provide choice and opportunity to people with disability.

Let's grow together

Our team is ready to assist you with your landscape construction needs.
